

Generational preferences

for workspace features provide A GLIMPSE INTO THE FUTURE OF WORK.

1

CHOICE

Features, technology and policies that **enhance employee choice and control**

2

INTEGRATED WORK

Seamless transition of people moving between individual and group work modes

Future themes
likely to develop as **GENERATION Y BECOMES MORE OF A FORCE** in the workplace

4

EXPERIENCE

A shift from supporting function to creating experience

3

DISTRIBUTED INTERACTION

A wide variety of spaces will replace fixed, formal meeting rooms

WORKSPACE PREFERENCES

| MOST IMPORTANT | LEAST IMPORTANT |
|---------------------------------|--------------------|
| Physical Comfort | Acoustic privacy |
| Acoustic privacy | Engaging workplace |
| Meeting spaces | Engaging workplace |
| Engaging workplace and security | Acoustic privacy |
| Engaging workplace | Meeting spaces |
